

“Michael Henry makes my clients feel both comfortable and confident...”

– Joseph Pellizzari
REAL ESTATE, CRIMINAL LAW
& CIVIL LITIGATION (Guelph, ON)

Joseph Pellizzari has been referring cases to Michael Henry for several years.

“I was actually referred to Michael Henry by another lawyer who has been referring cases to him for quite awhile. I am very happy with the referral relationship.

Our relationship has been a very good one. Michael is an excellent personal injury lawyer and he is very easy to talk to. That combination of qualities is, in my experience, quite unusual. It is one which makes clients feel both comfortable and confident.”

Our success depends strongly on referrals from outstanding lawyers from all over Ontario like Joe Pellizzari and others who consistently put their client’s trust in us.
